Just a little FYI about ordering from us

- All first orders are credit card . You may fill out a credit sheet for Net30 terms, which is available on my web-site under the Wholesale tab. Invoices for credit card payments are sent via Square OR Paypal for safely paying on-line. We do not have access to your credit card information.
- We do not have a minimum per-say but request patterns be ordered 3 per style. Laser cut/pattern packs are quantity 2 each.
- We do not offer free shipping but will add a free pattern or 2 to offset cost on orders over $100. We usually ship via the USPS as it is most cost effective. We charge actual shipping only.
- Price for patterns for baby are $6 wholesale. We sell them across all our platforms for $12 retail.
- We do all our own printing in house so depending on what is going on in the studio, most orders can go out within a few days, we will email you to give you an idea of when we will have your order ready.
- The best way to place an order is to email me direct at deb@thequiltfactory.com

Thank you! We look forward to working with you.....Deb
